Description

Argentario Divers: A Hub for Technical and Recreational Diving in the Tuscan Archipelago

Located in the heart of **Argentario**, **Argentario Divers** is a premier destination for both recreational and technical divers seeking high-quality diving experiences in the stunning waters of **Argentario, Giglio Island, and Giannutri**.

As an **SSI and UTD-certified** center, we offer **comprehensive training programs for all levels**, from entry-level courses to **advanced technical diving and instructor development**. Our expertise includes **scooter diving (DPV), deep diving with rebreathers**, and tailored training focused on biology research, safety and performance.

Beyond training, we provide **specialized maintenance services for rebreathers and technical diving equipment**, such as SUEX, SCUBA FORCE, ORCA ensuring that divers can rely on top-tier gear for every dive. We also offer **guided dives to unique and lesser-known sites**, giving experienced divers the opportunity to explore wrecks, deep walls, and pristine underwater landscapes.

With a team of highly qualified professionals and an unwavering commitment to quality, **Argentario Divers** is the ideal destination for those looking to push the boundaries of traditional diving and experience the thrill of exploration in one of Italy's most captivating marine environments.
