Description

Welcome to our 5-star tech diver facilities at Atlantis Gozo! We offer top-notch in-house amenities with our state-of-the-art tech zones, cutting-edge equipment, and comfortable accommodations to ensure a seamless diving experience.

Our expert staff provides unparalleled support, ensuring your service, safety and enjoyment. Whether you're here for training or exploration, our facilities are designed to meet the highest standards.

We offer guided tech dives, host special Tek Wreck Events to some of Malta's deep historical shipwrecks, as well as exploring the many deep walls and reefs that we have just off our shore here on Gozo!

Dive in with Atlantis Gozo Tech and experience world-class technical diving like never before!
