Description

Welcome to Cave Adventurers!

Since 2003, Cave Adventurers has been a world-recognized leader in technical and overhead environment dive training. Located on the pristine waters of Merritt's Millpond in Marianna, Florida, we offer direct access to some of the finest freshwater cave systems in North West Florida — including Jackson Blue, Hole in the Wall, Twin Cave, Shangri-La, Gator Hole, Indian Washtub, and many more.

We're more than just a dive shop. We're a training facility, expedition base, and community hub for serious cave divers from around the world. Whether you're looking to refine your skills or push deeper into exploration, our team provides top-tier instruction, expert-guided dives, and full-spectrum dive support tailored to the unique challenges of technical and cave environments.

What We Offer:

World-Class Training: From Open Water to Cave CCR and more courses, we specialize in safe, progressive instruction for all levels.

Expert Local Guides: Dive with professionals who know every line, restriction, and passage like the back of their hand.

Full-Service Support: Rebreather services, gas fills, rental gear, and expedition logistics — everything you need, all in one place.

Prime Location: Dive straight from our facility into the legendary Mill Pond caves, with easy access and top-tier amenities.

At Cave Adventurers, we live and breathe exploration. If you're ready to challenge yourself and dive where few ever go, you've found your people.
