Description

At Eight Diving, we share an unwavering passion for the underwater world and recognize the importance of premium diving gear and top-notch service. With years of dedicated experience, our team specializes in cold water diving and is committed to ensuring you have the best equipment and support for your diving adventures. We stand behind our products with a 100% satisfaction guarantee, so whether you're just starting out or are a seasoned pro, you'll find everything you need for a memorable dive!

Eight Diving has become a trusted name in the worldwide diving community, celebrated for our cold-water diving expertise, high-quality equipment, outstanding customer service, and exceptional guidance. We offer a full list of services including comprehensive scuba certification courses ranging from recreational to technical diving, personalized gear recommendations, custom gas blending, and local dive excursions. From historical shipwrecks to nudibranchs of all shapes and sizes, we welcome you to explore the spectacular underwater world of Puget Sound with us and experience why Eight Diving is your go-to destination for all things scuba.

Eight is the leader in the PNW for technical gear and training and offers you choices in breathing gasses from banked nitrox (32%), banked trimix (21/35), and quick turnarounds on custom blends. We also have a wide range of technical diving equipment available to rent.

Oh...we can't forget to mention that Puget Sound is home to the world's largest octopus, the GPO (Giant Pacific Octopus)!
