Description

GOZO TECHNICAL DIVING, [Technical Diving Malta LTD] is a 5 Star TDI/SDI leading-edge Instructor Training Center with 32 years of experience in the Technical Diving Scene. We are located on the island of Gozo in Malta and we offer the full range of TDI, and SSI courses at diver and Instructor level, guided technical dives as well as technical services, technical equipment, technical dive shop, gases, support, accompanied exploration dives, safety divers for deep dives, for freediving competitions, search and recovery and specific technical diving advice.

We teach in English, German, French, Dutch, Spanish. We offer you very high-end quality teaching, knowledge, and experience, with small groups of one to three students maximum and no rushing. You will learn diving with a solid base and with highly experienced Instructors in a friendly environment.
