Description

Techwise Malta is led by TWO full-time Instructor Trainers (IT) for PADI Tec, TDI and IANTD, as well as SIX Technical Diving Instructors with expertise in Sidemount, Twinset, and a variety of CCRs.

We specialise on the JJ CCR, the Fathom and Gemini CCR, the Divesoft Liberty Sidemount and Backmount CCR, as well as the AP CCR.

Techwise is conveniently located in the heart of Malta, and has direct access to the water, as well as access to every and any dive site in the archipelago thanks to an army of EIGHT trucks and ONE boat with a lift. We have all technical diving equipment available to rent, from Halcyon Twinset wings, Razor and XDeep Sidemount wings, to Apeks regulators, SANTI drysuits, Shearwater Computers, and SUEX DPVs.

Besides, With Collaboration with Heritage Malta, We have access to the most historically significant wrecks ranging from merely 6m all the way to 100m+ deep.
