

Wanna get into the loop?
you need diving discipline.
(it's more than just a card).
nitrox training.
plenty of bottom time.
call today and dive
as deep as you deserve.

Behind the scenes at the Diving Discipline photo shoot in the fall of 1994. The photography was by Bruno Linz and Dan Burton. The dominatrix was a local model and the diver a volunteer from the Key West Army Combat Diver School. Note, the late Dan Burton is shown in the right foreground.
